

2 in 1 Grip Cleaner and Conditioner

**BLU-42<sup>TM</sup>**

*Get a Grip*

**Renew Your Grip. Reclaim Your Edge.**

**Alcohol Free • No Resins • No Tackifiers**

---

**Professional Cleaning and Conditioning for Rubber and Silicone  
Contact Areas on Athletic Equipment.**

# How BLU-42 Works

---

Three simple steps to restore the natural grip and feel of athletic equipment.

## CLEANS

**Removes:**

- Dirt
- Sweat
- Oils
- Residue

## CONDITIONS

- Restores flexibility
- Helps prevent drying
- Maintains rubber condition

## RESTORES

- Natural grip
- Natural feel
- Consistent performance

---

**Rubber gradually loses grip as dirt builds up and the material dries over time. BLU-42 removes contaminants while conditioning the surface to help restore the natural grip and performance.**

# Why Athletic Directors Choose BLU-42
